Fenelon Falls Horticultural Society

Fenelon Falls Horticultural Society works to create beautiful spaces in our community and provide programs for the residents and guests in Fenelon Falls.

The Fenelon Falls Horticultural Fund helped a team of our volunteers create a beautiful book *The Gardens of Fenelon Falls* to celebrate 2022 The Year of the Garden. Four sets of greeting cards are also available that highlight Fenelon Falls beautiful gardens.

Go to www.backyardbuzz.ca for more information about the book and cards and to learn about their upcoming events including the Annual 'Spring into Gardening' Plant Sale on Saturday, May 28th from 8 am to 2 pm at the Fenelon Fairgrounds. On Saturday, July 16 we will be hosting 'Living the Garden Life' Garden Tour in Fenelon Falls, featuring all the beautiful gardens and artists that are part of The Gardens of Fenelon Falls book.

FFHS is pleased to announce their 2022 program, starting with their first meeting, via ZOOM on March 28th, 2022 at 7 pm where they will welcome Carlotta James from 3 Sisters Landscaping, Peterborough to present 'Rewilding Landscapes'. See their website backyardbuzz.ca for more information about the program and how to join.

Fenelon Falls Horticultural Society activities are funded through membership, grants, and donations.

DONATE NOW

Visit kawarthafoundation.ca/fenelon-falls-horticultural-society-fund to support the Fenelon Falls Horticultural Society and their projects, or visit kawarthafoundation.ca to learn of more funds and projects that need your support.
