# COMMUNITY FOUNDATION OF KAWARTHA LAKES

## SEASON'S GREETINGS!

Wishing you abundance, peace and good will during this holiday season and in 2022, from our family to yours.

A warm thank you for your continued generous support for the Community Foundation of Kawartha Lakes. Our many established Funds and their community projects have come to be because of you, and your benevolent gift giving.

We acknowledge the support of the Community Foundations of Canada, our Interns, our volunteer board, our fund holders, our donors, our founders and our affiliates.

We could not do it without you. Our heartfelt thanks and best wishes!
